Our Vision

Win All for Christ is carrying a mission from God and was founded on a revelation from God.

Our vision if that:

- The Good News of the Kingdom of God should reach all the nations of the world, and that everyone should hear about Jesus Christ and the Kingdom of God that is near to come;
- People that walk in the darkness should see a great light;
- The hopeless should be filled with hope;
- The lost would see the way, which is Jesus Christ;
- The Salvation of the Lord would reach the ends of the earth.

WAC strives to see this vision from God fulfilled. In fact, all at Win All for Christ are required to cooperate and be bound together to achieve the common purpose and fulfil the mission that the vision from God brings to us.

All submit themselves to God's vision for this ministry; all who commonly participate in it follow the same rules of life that determine our works Win All for Christ; we call these out 'Core Values' and can be found on the site.

We all need to find our proper place of ministry for God and with each other, so that the vision can be reached.

We acknowledge that all at Win All for Christ and all who have been called to be children of God, have a place in God's vision.

For Win All for Christ to be successful in God, we strive to live in God's vision for this ministry; and we need play our part within that vision.

With God in this ministry it's possible to achieve the vision for His Glory.
